My name is SAITAMA. I am a hero.My hobby is hero activity. I became strong too much. Therefore, I am very sad. Any enemies will push down with one blow. Hair was also lost. Feeling was also lost. I want the upsurge of sentiment of a battle. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a one punch-man.
